RESUME

PROFESSIONAL EXPERIENCE

Frontend Developer at Makerere Developer labs |March 2024 – October 2025

1. Using Html, CSS and JavaScript frameworks I was able to build various user interfaces for different web applications.
2. Making sure that the designs made by my teammates were responsive in nature and worked across different devices and displayed properly on different screen sizes
3. Writing tests for different user-interface components that helped in unit testing, integration testing and end-to-end tests.
4. Analyzed and made sure load times, rendering speed and runtime efficiency were improved whenever needed.
5. Used integrating tools like Google analytics to track runtime errors, user behavior, and performance metrics enabling us track the web applications performance.
6. Managed git workflows i.e. branching, rebasing, and resolving merge conflicts as well as writing meaningful commit messages.

Software Development Intern at Stratcom Communications and Computer Solutions Limited | June 2023 – August 2023

1. Worked on developing a fees management system using ReactJS for the frontend and Python for the backend.
2. I assisted in web application and systems feature documentation such as the home page, login page, and sign-out page.
3. I worked closely with senior developers coming up with high functional web applications and clean code.
4. I reviewed the code and documentation delivered by my teammates i.e. pull requests, updating technical documents etc.
5. Debugging and troubleshooting were some of the tasks I found interesting i.e. checking through code for existing errors or bugs.
